Warranty & Service

Each new Utility Vehicle from Columbia comes with the finest warranty in the industry. Contact your dealer for specific details on the model(s) you are considering. Service is available through our national network of authorized dealers. Consult with your dealer to discuss optional service plans that may be available.

The Legal Stuff

¹ Columbia's NEV models are Designed and built to meet applicable federal safety regulations and are street legal on roads with posted speed limits of 35mph or less in most states; subject to state licensing regulations. Features, options, specifications, color availability, and model designations are subject to change without notice. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Ask your dealer about the availability of options and verify that the vehicle you ordered includes the equipment you ordered.
